

# Oil-Filled Space Heater Radiator with Adjustable Thermostat

This oil-filled radiator provides consistent space heating with adjustable temperature control. It features multiple heat settings and a thermostat to maintain a consistent room temperature.

## Overview

### Efficient Oil-Filled Heating Solution

This oil-filled radiator provides consistent, energy-efficient heating suitable for both residential and office environments. Engineered for safety and performance, it features multiple heat settings, an adjustable thermostat, and a triple overheat protection system. With its mobile design and rapid heat radiation capabilities, it serves as an ideal supplemental heating source.

## Technical Specifications

Power Supply	220-240V, 50/60Hz
Heat Settings	3
Fin Size	160*600MM
Turbo Fan	400 W

## Certifications

Compliance & Certifications	GS, CE, EMC, ROHS
-----------------------------	-------------------

## Features

### Safety Features

Triple Overheat Protection • Pressure Tested • Indicator Lights

### Convenience Features

- Adjustable thermostat control
- Smooth castors for easy movement
- Integrated cord storage
- Easy to clean design

## Logistics
