

# On-Demand Natural Gas Water Heater with Voice Control

This gas water heater supports voice commands for hot water activation using AI technology. It offers zero-delay hot water and multiple safety features, including real-time CO detection and automatic gas shutoff.

## ADDITIONAL IMAGES

## Product Overview

### High-Efficiency On-Demand Heating

This on-demand natural gas water heater is engineered for reliable and instantaneous hot water delivery, eliminating the need for a storage tank. Featuring advanced constant temperature technology and voice control capabilities, it ensures a comfortable and user-friendly experience for residential applications. Its compact design and energy-efficient operation make it an ideal solution for modern households seeking consistent performance.

## Performance Metrics

### Hot Water Capacity

**13 L/min**  
Capacity

**16 L/min**  
Capacity

### Rated Heat Input

**25 kW**  
Heat Input

**30 kW**  
Heat Input

## Technical Specifications

### Energy Efficiency Standard

Level 2

### Water Pressure Range

0.02 - 0.8 MPa

### Exhaust Method

Constant temperature strong exhaust

### Unit Dimensions

350 x 580 x 163 mm

## Gas Configuration

### Gas Type & Pressure

Gas Type	Rated Pressure
NG	2000 Pa
LPG	2800 Pa
