

On-Ear Headphones with 'POP' Design

These on-ear headphones are designed for personal audio listening. The headphones feature a black and yellow color scheme with 'POP' lettering on the earcups and a repeating text pattern on the headband.

Product Overview

Stylish Audio Experience

These on-ear headphones combine functional audio performance with a bold, modern aesthetic. Featuring a striking black and yellow color scheme, they are designed to stand out. The unique 'POP' lettering and patterned headband make them an ideal choice for users seeking a distinctive look in their personal audio gear.
