

Orange Metal Step Ladder for Industrial Use

This metal step ladder is painted orange and constructed from durable metal tubing. It provides a stable platform for reaching elevated areas in industrial and construction settings.

Product Overview

Industrial-Grade Accessibility

This orange metal step ladder is engineered for heavy-duty industrial and construction applications. Designed with a focus on stability and accessibility, it provides a secure platform for maintenance, repairs, and technical adjustments. Its robust construction ensures long-term reliability in demanding environments like apparel and textile machinery settings.

Technical Specifications

Material	Metal Tubing
Finish	Orange Painted
Usage Environment	Industrial, Construction, Apparel Machinery, Textile Machinery

Features

Core Design

- Stable base platform
- Multi-rung climbing design
- Durable metal tubing frame
