

Outdoor LED Flood Light 450mm x 220mm x 130mm

This LED flood light is designed for illuminating outdoor areas. It features a durable aluminum housing for efficient heat dissipation and measures 450mm x 220mm x 130mm.

Product Overview

High-Performance Outdoor Illumination

This high-performance LED flood light is engineered for demanding outdoor area lighting environments. Featuring a robust aluminum housing, it ensures exceptional durability and efficient heat dissipation for long-term reliability. The unit delivers bright, uniform illumination, making it an ideal solution for parking lots, building facades, and security lighting applications.
