

Outdoor Wall Mount Lantern Sconce

This outdoor wall sconce features a solid brass construction with a polished finish and clear glass panels. It is designed for wall mounting in covered outdoor areas and requires standard E26 base bulbs.

Overview

Elegant Outdoor Lighting Solution

This outdoor wall mount lantern sconce combines durable solid brass construction with a classic, elegant aesthetic suitable for professional and residential properties. Featuring clear glass panels for unobstructed illumination, it is engineered to withstand outdoor conditions while providing reliable performance. Its versatile design makes it an ideal choice for porches, patios, and entryways, offering both style and functional lighting.
