

Oval Outdoor Ceiling Light with Protective Cage

This oval-shaped lighting fixture is designed for ceiling mounting in outdoor environments. It features a protective black metal cage surrounding a translucent lens, ensuring durability and resistance to environmental factors.

Product Overview

Durable Oval Lighting Solution

This oval-shaped lighting fixture is engineered for reliability in demanding environments. Featuring a robust protective metal cage, it effectively shields the translucent lens from impact and potential damage. Designed for versatility, this unit is suitable for both wall and ceiling mounting, making it an ideal choice for various indoor and outdoor applications.
