

# Over-Center Buckle Cargo Strap with Hooks

This over-center buckle strap is designed for securing cargo and equipment. It features durable nylon webbing and a robust steel buckle with metal hooks for easy attachment to anchor points.

## ADDITIONAL IMAGES

## Product Overview

### Reliable Cargo Securing Solution

This over-center buckle cargo strap is engineered for professional-grade load securing in trucks, trailers, and logistics applications. Featuring durable PE webbing and a robust, zinc-plated steel buckle mechanism, it provides reliable tensioning and corrosion resistance. The integrated flat hooks allow for quick and secure attachment to anchor points, ensuring your equipment remains stable during transport.
