

Over-Ear Cushioned Headphones

These over-ear headphones feature cushioned earcups and an adjustable headband. They have integrated controls and a compact design suitable for personal audio listening.

Product Overview

Premium Audio Experience

These over-ear headphones are designed for comfort and high-quality personal audio listening. Featuring a fully adjustable headband and plush cushioned earcups, they ensure a secure fit for extended wear. The compact, foldable design makes them an ideal choice for professionals on the go, while integrated controls provide seamless management of your audio experience.
