

Over-Ear Stereo Headphones with Microphone

These over-ear stereo headphones have a padded headband for comfortable extended use. The earcups are cushioned for noise isolation and enhanced sound quality.

Product Overview

Professional Stereo Audio Experience

These over-ear stereo headphones are designed for professional audio applications, offering a balance of comfort and performance. Featuring a padded headband and cushioned earcups, they provide excellent noise isolation for extended use in office, gaming, or multimedia environments. The adjustable design ensures a secure fit, while the standard 3.5mm connectivity makes them highly versatile across various devices.
