

Over-Ear Stereo Headphones with Noise Isolation

These over-ear headphones provide a comfortable listening experience with soft cushions and an adjustable headband. The closed-back design ensures noise isolation for focused audio enjoyment.

Overview

Professional Over-Ear Audio Solution

These over-ear stereo headphones are designed to deliver a comfortable and immersive listening experience with effective noise isolation. Featuring a closed-back design and a robust 40mm speaker unit, they provide clear, balanced audio suitable for music, gaming, and professional audio applications. The adjustable headband and cushioned ear cups ensure long-term comfort for extended use.
