

Palm Sander 115 x 225mm 300W

This palm sander is designed for fine sanding and finishing tasks. Its compact size and ergonomic design allow for comfortable one-handed operation and precise control.

Product Overview

Professional Finishing Performance

This 300W palm sander is engineered for high-precision finishing on wood and composite surfaces. Featuring a 115 x 225mm rectangular sanding pad and variable speed control, it offers the versatility needed for both delicate detail work and larger surface smoothing. Its ergonomic design is optimized for consistent results and ease of handling during extended operations.
