

Pastel Green Electric Kettle with Gooseneck Spout

This European-style electric kettle combines vintage aesthetics with modern functionality. The kettle has a capacity of approximately 1.7 liters and includes an automatic shut-off function for safety.

Product Overview

Vintage Aesthetic Meets Modern Performance

This pastel green electric kettle combines a charming, vintage-inspired design with modern functionality, making it a stylish addition to any kitchen or office space. Constructed from food-grade SUS304 stainless steel, it ensures safety and durability for daily use. The precision gooseneck spout is engineered for a smooth, controlled pour, perfect for tea enthusiasts and coffee brewing.
