

Permanent Black Marker Pen

This permanent marker features waterproof, non-toxic, quick-drying ink. It has a durable tip that provides clear, consistent marking on many surfaces and includes a cap with a clip.

Product Overview

Professional Permanent Marker

This permanent black marker is designed for reliable performance in both professional and personal environments. Featuring quick-drying, non-toxic, and waterproof ink, it ensures clear and consistent marking across a wide variety of surfaces. The durable tip and convenient cap with an integrated clip make it an essential tool for everyday labeling and organization tasks.
