

# Personal Air Cooler with USB Power

This personal air cooler is designed for individual use. It features adjustable fan speeds, a refillable water tank for evaporative cooling, and USB power connectivity.

## Product Overview

### Compact Cooling Solution

This personal mini air cooler is designed for localized comfort, making it an ideal companion for desks, bedside tables, or small personal spaces. It operates via convenient USB power and features a 3-speed fan system for adjustable airflow. With a transparent 0.5L water tank and included ice pack, it provides efficient evaporative cooling in a stylish, compact form factor.

## Technical Specifications

Model Number	AC8-18A
Power Source	USB
Input Voltage	5 V
Power Consumption	3 W

## Performance

Fan Speed Settings	3
Water Tank Capacity	0.5 L

## Features

Key Features	USB Powered, 3-Speed Control, Transparent Tank, Ice Pack Included, Compact Design
