

## Personal Box Fan with Timer

This compact box fan is designed for personal cooling. It features multiple speed settings controlled by a rotary dial and a timer function for automatic shut-off.

### Product Overview

#### Compact Personal Cooling Solution

This compact box fan is an ideal cooling solution for small spaces such as offices, bedrooms, or personal workstations. Designed with user convenience in mind, it features a reliable rotary dial for adjusting speed settings and a built-in timer for automatic shut-off. With its sturdy base and protective grill, it ensures both stability and safety during operation.
