

Petrol Powered Chain Saw

This chain saw is a powerful and reliable tool suitable for both professional and home use. With its high-performance engine, it delivers exceptional cutting power for felling trees, pruning branches, and cutting firewood.

Product Overview

High-Performance Petrol Chainsaw

This petrol-powered chainsaw is engineered for demanding cutting tasks, featuring a robust 49.3cc two-stroke, air-cooled engine. Designed for reliability and ease of use, it includes an easy-start carburetor system and an ergonomic build to reduce operator fatigue. With a maximum cutting diameter of 500mm and versatile guide bar options, this tool is well-suited for felling, pruning, and firewood preparation.

Engine Specifications

Rated Output Power

2.22 kW
Power

7500 rpm
Speed

Displacement	49.3 cc
Cylinder Dimensions	45mm x 31mm

Cutting Performance

Chain Specifications

Specification	Value
Pitch	0.325"
Chain Gauge	0.058"

Max Cutting Diameter	500 mm
Guide Bar Sizes	18", 20", 22"

Fluid Capacities

Fuel Tank Capacity	550 ml
Engine Oil Tank Capacity	260 ml
Fuel Mixture Ratio	25:1 (Gasoline to Oil)
