Product Overview

High-Yield Compatible Printing Solution

This compatible ink cartridge set is engineered as a high-performance alternative for PGI-580 and CLI-581 series requirements. Designed for consistent, high-quality output, these XXL cartridges offer an increased page yield of up to 600 pages per cartridge, ensuring reliability from the first print to the last. The set includes a full range of colors to provide vibrant and accurate reproduction, suitable for both professional office environments and home use.
