

Pink Decorative Ceiling Fan with Flower Lights

This decorative ceiling fan features a pink finish and five blades for efficient air circulation. It includes three flower-shaped lights with delicate pink shades, operated by pull chains for easy control.

Product Overview

Elegant Cooling and Lighting

This decorative ceiling fan combines functional air circulation with a charming aesthetic, featuring a pink finish and five blades. It is enhanced by three flower-shaped lights with delicate shades, making it a perfect addition to bedrooms or nurseries. Designed for both style and utility, the fan utilizes pull chains for convenient operation of both light and speed settings.
