Product Overview

Versatile Pneumatic Solutions

This high-quality pneumatic air hose is engineered for exceptional flexibility and durability across a wide range of industrial and commercial applications. Designed to resist hard work in all weather conditions, it is suitable for everything from automotive assembly lines and aerospace manufacturing to air brush artistry and garden use. With multiple material options including PU, PE, and PVC, these hoses provide reliable performance for oxygen, oil, fuel, and vacuum lines.

Technical Specifications

Hose Sizes (Diameter)

- 1/4"
- 3/8"
- 6x11mm
- 10x14mm

Available Materials

PU, PE, PVC

Available Lengths

4m, 5m, 7.5m, 8m, 10m, 12m, 15m, 25', 50'

Weather Rating

Recommended for all weather use

Applications

Industrial Applications

- Aerospace Manufacturing
- Automotive Assembly Lines
- Pneumatic & Hydraulic Systems
- Oxygen, Oil & Fuel Lines
- Vacuum Equipment
- Instrumentation & Electronic Controls

Commercial & General Use

- Auto Repair & Car Wash Systems
- Air Brush Artists
- Blow Guns & Air Tools
- Paint Machines
- Gardening

Design & Aesthetics

Available Colors

Transparent • Red (1788c/186c) • Black • Orange (021c/1665c) • Blue (3005c) • Yellow (109c/137c)

Hose Style

Spiral/Coil with connectors or Straight Transparent PVC

Logistics & Packaging

Standard Packaging & Loading

Model/Length	Quantity per Carton	Carton Size (cm)
PU001 (5m)	100 PCS	66x43x43
PU001 (10m)	50 PCS	66x43x43
PU001 (4m)	100 PCS	53x43x44
PU001 (8m)	50 PCS	53x43x44
PU001 (12m)	25 PCS	43x40x44
PU007 (10m)	20 PCS	46x45.5x38
