

Pneumatic Rubber Bicycle Tyre 20x2x1.3/4

This pneumatic rubber bicycle tyre is designed for optimal performance and durability. It features a tread pattern for enhanced grip and control on various surfaces.

Product Overview

Heavy-duty construction suitable for a wide range of bicycle types.

High-Performance Pneumatic Bicycle Tyre

This pneumatic rubber bicycle tyre is designed for heavy-duty applications, offering a robust solution for smaller wheel sizes. Featuring a specialized tread pattern, it provides enhanced grip and control across various surfaces while ensuring long-lasting durability. Constructed from premium rubber compounds, it is engineered for superior puncture resistance and extended tread life.

Technical Specifications

The robust tread pattern is designed for optimal grip and control on various terrains.

Tyre Type

Heavy Duty • Pneumatic • Small Size

Item Number	DBB2108
Size	20x2x1.3/4
Color	Black
Material	Pneumatic Rubber
