

Pneumatic Stapler Nailer with Adjustable Depth Control

This pneumatic stapler nailer is designed for diverse fastening applications. It features adjustable depth control for accurate stapling and a comfortable grip for prolonged use.

Product Overview

Professional Performance

This pneumatic stapler nailer is a versatile, air-powered fastening tool engineered for reliability and precision in demanding environments. Featuring durable construction and adjustable depth control, it ensures consistent results across various tasks including upholstery and woodworking. Its compact, ergonomic design allows for excellent maneuverability in tight spaces while maintaining high-capacity operation.

Technical Specifications

Power Source	Pneumatic (Air-powered)
Depth Control	Yes
Primary Applications	Upholstery, Woodworking, General Fastening

Design Features

Ergonomic Design	Comfortable grip for extended use
Design Profile	Compact

Performance

Magazine Capacity	High capacity
