

Pneumatic Wheelbarrow for Landscaping

This wheelbarrow is designed for landscaping and construction tasks. It features a durable metal tray and a pneumatic tire for smooth maneuverability over rough terrain.

Product Overview

Professional Landscaping Utility

This robust wheelbarrow is engineered for demanding landscaping and construction environments. Featuring a durable, wide-mouth metal tray, it facilitates efficient loading and unloading of heavy materials like soil and gravel. The design prioritizes stability and maneuverability, making it a reliable tool for professional material handling.

Design & Build

Frame Construction	Sturdy Steel
Tray Design	Wide-mouth metal tray

Mobility

Wheel Type	Single Pneumatic Tire
Terrain Compatibility	Rough Terrain, Construction Sites, Landscaping

Ergonomics

Handle Type	Ergonomic
