

# Pole-Mounted Outdoor Heater with Integrated Light

This pole heater provides warmth and illumination for outdoor environments. It features a stainless steel pole with a brushed metal finish and an integrated light.

## Product Overview

### Modern Pole-Mounted Heating Solution

This versatile pole-mounted outdoor heater combines efficient warmth with integrated lighting, making it an ideal choice for extending the usability of outdoor spaces. Featuring a sleek, brushed stainless steel finish, the unit offers a clean and modern aesthetic suitable for various commercial or residential environments. Its robust construction ensures durability, while the dual-function design saves space and simplifies installation.
