Overview

Reliable Portable Power

This portable gasoline generator provides a versatile power solution for various applications, featuring a robust 7.5HP 4-stroke OHV engine. Designed for both safety and durability, it includes advanced features like automatic voltage regulation (AVR), an oil alert system, and comprehensive overload protection. With a rated output of 2800W and a maximum capacity of 3200W, it ensures consistent performance for professional and residential needs.

Engine Power

Engine & Technical

Engine Configuration	4-stroke, OHV (overhead valve), single cylinder, air-cooled
Output Voltage	220V AC / 12V DC
Starting Options	Recoil Start, Electric Start

Safety & Compliance

Certifications

CE • EURO V • EPA • ISO 9001:2015

Safety Systems

- Automatic Voltage Regulation (AVR)
- Over-voltage protection
- Overheated protection
- Overload protection
- Oil alert system (auto shut-off)

Warranty & Support

Warranty

2 years or 600 continuous working hours
