

# Portable 4-in-1 Garment Steamer

This portable garment steamer features 4-in-1 functionality for efficient wrinkle removal and fabric care. Its compact design makes it ideal for both home use and travel.

## ADDITIONAL IMAGES

## Product Overview

### Versatile 4-in-1 Garment Care

This portable 4-in-1 garment steamer is engineered for efficient wrinkle removal, dust cleaning, sterilization, and disinfection. Featuring patented heater separation and secondary atomization technologies, it delivers high-temperature, high-pressure steam while protecting delicate fabrics from scalding. Its compact, lightweight design makes it an ideal solution for both home use and travel.

## Performance Metrics

### Steam Output

**18 g/min**

Max Steam Output

**0.5 Bar**

Max Pressure

### Operating Temperatures

Function	Temperature
Steam Temperature	120-170 °C
Ironing Soleplate	130 °C

## Design & Features

### Core Technologies

- Patented heater and bottom plate separation technology
- Patented secondary atomization technology
- Independent steam switch

### Ironing Modes

Hanging Ironing, Flat Ironing, Dry Ironing, Steam Ironing

### Water Tank Capacity

105 ML

## Safety & Compliance

### Safety Warnings

Burn Hazard • Hot Surface • Do Not Touch
