

Portable AM/FM/SW Radio with Bluetooth and Torch

This portable radio receives AM, FM, and SW bands and includes a USB/TF MP3 player. It features Bluetooth connectivity, a built-in torch, an AUX input jack, and includes a rechargeable 18650 battery.

Overview

Versatile Portable Audio Solution

This multi-functional portable radio combines traditional 3-band reception with modern digital playback options. Featuring AM, FM, and shortwave (SW) bands alongside Bluetooth connectivity and MP3 support via USB/TF, it serves as a comprehensive audio hub. The integrated LED torch and rechargeable battery make it an ideal choice for both indoor entertainment and outdoor utility.
