

Portable Beach Chair with Umbrella

This portable beach chair has a lightweight, foldable design for easy carrying. It features a durable metal frame, breathable fabric, detachable umbrella, and a storage pouch.

Product Overview

Comfort and Protection Outdoors

This portable beach chair is designed for professionals and leisure seekers who prioritize convenience and comfort. The foldable, lightweight construction ensures effortless portability, while the integrated umbrella provides essential shade and sun protection during extended outdoor stays. Built with durable materials, it offers reliable support for various beach or park environments.
