

Portable Bluetooth Speaker with Phone Dock

This portable Bluetooth speaker features a built-in dock for securely holding smartphones. The speaker delivers clear audio with enhanced bass, making it ideal for music, podcasts, and hands-free calls.

Product Overview

Versatile Portable Entertainment & Power Solution

This multi-functional portable Bluetooth speaker is designed for versatility, featuring a built-in phone dock and an integrated LED torch for convenience in any setting. It offers comprehensive connectivity through AM/FM/SW1-2 4-band radio, USB, and TF card slots, ensuring entertainment is always accessible. Equipped with a high-capacity solar-rechargeable battery and mobile charging capabilities, it serves as a reliable power bank for outdoor adventures or emergency use.
