Product Overview

Versatile Portable Lighting

This portable camping lantern combines aesthetic design with high-performance utility for outdoor and emergency use. It features flexible lighting configurations, allowing for single-sided, double-sided, or three-sided illumination to suit various environments. With integrated stepless dimming and a long-lasting battery, it provides reliable, energy-efficient light for up to 30 hours on a single charge.

Technical Specifications

Battery Capacity

4000 mAh

Total Capacity

Light Source	54pcs SMD LED
Battery Chemistry	Lead-acid (2 x 4V)
Runtime	30 hours

Features & Functionality

Lighting Options

- Single-sided lighting
- Double-sided lighting
- Three-sided lighting
- Multi-angle illumination

Dimming Control

Stepless Dimming

Connectivity & Power

DC Charging Input	12V
USB Output	5V
