

Portable Dual 8-Inch Trolley Speaker with Bluetooth

This portable speaker features dual 8-inch woofers and tweeters for clear sound. It has a trolley handle, wheels, rechargeable battery, and multiple connectivity options like Bluetooth, USB, and SD card.

Overview

Portable Audio Solution

This dual 8-inch trolley speaker is a portable audio solution designed for versatility and convenience. It features two 8-inch woofers, delivering a powerful and clear sound experience. The built-in trolley handle and wheels make it easy to transport, while the integrated rechargeable battery ensures hours of playback. With multiple connectivity options and microphone support, it is ideal for karaoke, events, or public speaking.
