

Portable Earth Auger Drill

This ground drill is a powerful and efficient tool designed for a variety of digging applications. Its robust construction ensures durability and reliability in demanding environments.

Overview

High-Performance Earth Auger

This portable earth auger drill is engineered for efficiency and reliability in demanding landscaping and construction environments. Powered by a robust 57CC engine, it delivers 3.5HP to handle various soil types with ease. Designed with an easy-start system and ergonomic controls, this tool is ideal for tasks ranging from fence post installation to tree planting.

Engine Specifications

Maximum Power

3.5 HP

Max Power

7000 r/min

Max Speed

Engine Model	DC-57
Displacement	57 CC
Idling Speed	2800 r/min
Carburetor Type	Pump-film

Performance & Operation

Compatible Drill Diameters

- 100
- 150
- 200
- 250
- 300
- 400

Starting System	Single start / Easy to start
Fuel Tank Capacity	1200 ml

Certifications

Certifications	CE, DOCF
