Product Overview

Professional Portable Inflation Solution

This portable electric tire inflator is designed for reliability and ease of use in automotive roadside scenarios. Equipped with a digital gauge for precise pressure monitoring, it ensures optimal tire inflation for cars, bikes, and various sports equipment. Its compact design includes integrated LED lighting for nighttime operation and is powered conveniently through a 12V vehicle cigarette lighter.

Technical Specifications

Working Voltage	12 V
Maximum Power	60 W

Performance

Key Performance Metrics

150 PSI

Max Pressure

12 L/MIN

Flow Rate

Hardware & Accessories

Included Components

- 3 inflator adaptors
- 1 spare fuse
- 20cm air hose
- 3m cigarette lighter power cord

Product Features

Digital Display, LED Lighting, Portable Design, 15MM Cylinder
