Product Overview

Versatile Cooling Solution

This portable evaporative air cooler offers a 3-in-1 solution, combining cooling, air purifying, and humidification capabilities in a single compact unit. Engineered with a durable 7114 aluminum motor and efficient evaporative technology, it provides customizable comfort with three adjustable fan speeds and oscillation functionality. Designed for convenience, the unit features a 4.0L water tank, easy-glide caster wheels, and a user-friendly control interface.

Technical Specifications

Power Consumption

65 W
Power

Water Tank Capacity	4 L
Motor Technology	7114 Aluminum motor
Construction Material	PP (Polypropylene)

Performance & Features

Included Accessories

- 2 Ice Boxes

Core Functions	Cooling, Purifying, Humidification
Fan Speeds	3
Oscillation	Yes

Logistics & Dimensions

Packaging Dimensions	30 x 27.5 x 59.5 cm
Net Weight	3.85 kg
Gross Weight	4.35 kg
