Product Overview

Efficient Portable Cooling

This portable evaporative air cooler is designed to provide effective cooling for small to medium-sized indoor spaces. By utilizing natural evaporative technology, it offers an energy-efficient and environmentally friendly cooling solution. The unit is built for convenience, featuring caster wheels for easy mobility and intuitive top-mounted controls for quick adjustments.

Key Features

Cooling Technology

Evaporative Cooling • Energy Efficient • Eco-Friendly

Mobility

Caster Wheels, Portable, Indoor Use

Design & Control

Airflow Control

- Adjustable front louvers
- Oscillating louvers
- Multi-speed fan

Maintenance

- Visible water level indicator
- Drain plug for easy maintenance
- Rear cooling pad access

Exterior Finish

White and Gray
