Overview

Versatile Fast Charging Solution

This portable power bank is designed to keep your essential devices powered throughout the day. Featuring both wired and wireless charging capabilities, it supports high-speed Power Delivery (PD) 3.0 and Qualcomm Quick Charge 3.0 technologies. With options for 10000mAh or 20000mAh capacities, it is an ideal companion for smartphones, tablets, and gaming consoles.

Technical Specifications

Battery Capacity	10000mAh, 20000mAh
Battery Type	Polymer battery

Connectivity & Output

Input Specifications

- Micro USB: 5V/2.1A
- Type-C: PD 18W

Output Ports

- 2 x USB Port (PD 18W)
- 1 x Type-C (PD 18W)
- Wireless Charging

Wireless Charging Output

10 W

Max Wireless Output

Performance & Safety

Charging Standards

PD 3.0 • QC 3.0 • Qi-Enabled

Safety Protections

- Over-charge protection
- Overheat protection
- Short circuit protection
- Auto-stop when fully charged
