

Portable Garment Steamer for Clothes

This portable steam ironing machine is designed for removing wrinkles from clothing. It features a handheld design, a steam nozzle with brush attachment, and a water tank for steam generation.

Product Overview

Professional Garment Care

This portable steam ironing machine is engineered for efficient wrinkle removal on various fabric types. Its compact and handheld design makes it an essential tool for quick touch-ups at home or convenient travel use. Featuring an integrated water tank and specialized steam nozzle with a brush attachment, it provides a versatile solution for maintaining a crisp appearance.
