

Portable Gasoline Generator

This portable generator is designed for various power needs. It delivers consistent performance and is equipped with user-friendly controls and safety features.

Overview

Reliable Portable Power Solution

The TG3700 is a robust portable gasoline generator engineered for consistent performance in home backup, construction, and outdoor applications. It features a powerful 6.5 HP, 4-stroke engine and a durable 12-liter fuel tank to ensure long-lasting operation. Designed with user-friendly controls, this generator provides a reliable power source for essential equipment wherever it is needed.

Engine Specifications

Engine Details

Attribute	Specification
Engine Model	GX200
Displacement	196 cc
Engine Type	4-stroke, OHV
Cooling System	Forced air-cooled

Technical Specs

Electrical Characteristics

- Frequency: 50 Hz
- Voltage: 220 V
- Ignition: Non-contact transistorized ignition (T.C.I)

Operation & Maintenance

- Starting System: Recoil
- Noise Level: 67 dB (at 7m)
- Fuel Tank Capacity: 12 L
- Oil Capacity: 0.6 L

Certifications & Compliance

Quality Standards

CE, ISO 9001:2000

Logistics

Logistics & Packaging

Dimension/Detail	Value
Package Dimensions (LxWxH)	530x430x460 mm
Gross Weight	42 kg
Container Capacity (20FCL)	260 pcs
