

Portable Gasoline Generator Set

This gasoline generator set delivers portable electrical power. It features a protective frame, voltmeter, on/off switch, and a 230V AC outlet.

Overview

Reliable Portable Power

The SC2000G/E is a high-performance gasoline generator set designed for versatile, portable power applications. Featuring a robust 4-stroke OHV air-cooled engine, it delivers consistent energy for various operational needs. With both recoil and electric start options, this generator is engineered for ease of use and dependable performance in diverse environments.

Engine Performance

Engine Type	4-stroke OHV, single cylinder, air-cooled
Bore x Stroke	68x54 mm
Compression Ratio	8.5:1
Ignition System	Transistor magneto
Oil Capacity	0.6 L
Fuel Capacity	15 L

Power Output

Power Specifications

2.2 kW

Max Power

2 kW

Rated Power

Rated Voltage	220/110 V
Rated Frequency	50/60 Hz
Rated Amperage	9.1/19.2 A
Voltage Regulation	Automatic Voltage Regulation (AVR)

Physical Attributes

Dimensions (LxWxH)	605x455x470 mm
Weight (N.W/G.W)	42.5/45.5 kg

Logistics

20FT Container Capacity	225 sets
-------------------------	----------

Features

Starting System

Recoil Start, Electric Start
