

Portable Handheld Steam Cleaner

This portable steam cleaner is designed for versatile cleaning applications. The handheld device uses pressurized steam to effectively remove dirt, grime, and stains from various surfaces.

Overview

Versatile Handheld Steam Cleaning

This compact and lightweight portable steam cleaner is designed for efficient, chemical-free cleaning across a variety of household surfaces. Utilizing high-temperature pressurized steam, it effectively removes dirt, grime, and stains from kitchens, bathrooms, and upholstery. With a 3-meter power cord and adjustable steam functionality, it offers both maneuverability and control for deep cleaning tasks.

Technical Specifications
