Product Overview

Clean and Reliable Power

This portable inverter generator is engineered to deliver stable, pure sine wave power, making it an ideal choice for sensitive electronics and professional equipment. Featuring a robust 4-stroke engine and a compact, portable design, it provides a reliable energy solution for remote job sites, emergency backup, and outdoor applications. The unit combines low-noise operation with high-efficiency performance to ensure consistent power delivery when you need it most.

Engine Specifications

Engine Model

WE170F-1

Type

Single-cylinder, 4-stroke

Displacement

212 cc

Bore x Stroke

70 x 55 mm

Fuel and Capacity

Fuel Type	Gasoline
Fuel Tank Capacity	9 L
Oil Capacity	0.6 L

Key Features

Key Features	Pure Sine Wave, Portable, Low Noise, 4-Stroke Engine
