

Portable LED Flashlight with Foldable Stand

This compact flashlight features a durable blue housing and a clear lens for diffused light output. It includes a top-mounted push-button switch and a foldable wire stand for hands-free operation, suitable for indoor and outdoor use.

Product Overview

Versatile Illumination Solution

This portable LED flashlight is designed for both indoor and outdoor utility, offering a balance of durability and convenience. Featuring a unique foldable wire stand, it provides hands-free operation for tasks requiring focused or diffused lighting. Its robust construction and user-friendly design make it an ideal tool for professional applications where reliable, portable light is essential.
