

Portable Oil-Filled Radiator

This portable oil-filled radiator provides efficient and safe space heating. It features multiple heat settings, adjustable thermostat control, and smooth-rolling casters for easy mobility.

Overview

Efficient Heating Solution

This portable oil-filled radiator is designed for reliable and efficient space heating. It features adjustable thermostat control, multiple heat settings, and a built-in turbo fan for rapid heat distribution. Engineered with safety in mind, it includes a triple overheat protection system and pressure testing.

Technical Specifications

Turbo Fan Power

400 W

Turbo Fan

Power Supply	220-240V, 50/60Hz
Heat Settings	3
Fin Dimensions	150 x 580 mm

Safety & Compliance

Safety Features

Triple Overheat Protection • Pressure Tested

Certifications	GS, CE, EMC, ROHS
----------------	-------------------

Logistics & Configuration

Model Variants

Fins	Net Weight	Dimensions (cm)
7 Fins	8.2 kg	36 x 16 x 65
9 Fins	10.2 kg	43 x 16 x 65
11 Fins	12.0 kg	50.5 x 16 x 65
13 Fins	14.0 kg	58 x 16 x 65

Features

Convenience Features

- Smooth castors for easy movement
- Integrated cord storage
- Easy to clean surface
- Operation switches with indicator lights
- Adjustable color plastic options
