

# Portable Outdoor Bluetooth Speaker with Microphone

This portable speaker provides Bluetooth audio and supports microphone use. Its design includes a portable belt for easy carrying.

## Product Overview

### Professional Portable Audio

This portable outdoor speaker combines a durable MDF wooden case with a high-quality PU finish, offering a robust solution for mobile audio needs. Equipped with a powerful 15W amplifier and a 4-inch full-frequency driver, it delivers clear, immersive sound in any environment. The device features extensive professional sound-shaping tools, including mic reverberation, variable sound effects, and live broadcasting capabilities, making it an ideal choice for outdoor events and presentations.
