Product Overview

Designed for on-the-go convenience, perfect for travel, gym, or office use.

Compact Personal Blending

The MN100C Mini Blender is a versatile, portable kitchen appliance designed for on-the-go nutrition. Engineered with a powerful 150W motor and high-speed blending capabilities, it effortlessly handles fruits, vegetables, and even ice. Crafted from food-grade materials including a durable Tritan jug, this blender is safe for all users, including babies, and offers simple, one-touch operation for quick smoothies and shakes.
