

Portable Tile Saw

The portable tile saw is designed for cutting tiles, stone and similar materials. It features a high-speed motor and diamond-tipped blade for clean and precise cuts.

Product Overview

Professional Grade Tile Cutting

This portable tile saw is a compact, high-performance tool engineered for precise cutting of tiles, stone, and similar masonry materials. Featuring a high-speed motor and an integrated water cooling system, it ensures clean cuts while minimizing dust and preserving blade longevity. The design includes an adjustable table for versatile bevel and miter cuts, making it an essential asset for professional tiling projects.

Technical Specifications

Cutting Versatility

- Bevel cuts
- Miter cuts
- Straight cuts

Motor Performance	High-speed motor
Cooling System	Yes

Safety & Design

Design Highlights

Ergonomic handle • Lightweight • Portable

Safety Features	Blade guard, Non-slip base
