

Portable Trolley Speaker with LED Lighting

This portable trolley speaker is equipped with Bluetooth, USB/TF, FM radio, and aux/mic inputs. It has a long-life rechargeable battery and LED color-changing circle light.

Product Overview

Professional Portable Audio Solution

This portable trolley speaker is designed for mobile audio versatility, featuring a robust 80W output and a 12-inch driver for powerful sound performance. It offers extensive connectivity options including Bluetooth, TWS, USB, TF, and inputs for both microphones and guitars. With its integrated LED color-change ring light and long-life rechargeable battery, it is an ideal mobile solution for events, presentations, and social gatherings.
