

Portable Two-Burner Gas Tabletop Stove with Cover

This portable gas stove features two burners for efficient cooking. It is designed for tabletop use and includes a protective cover for convenient transport and storage.

Product Overview

Compact Performance for Outdoor Cooking

This portable two-burner tabletop stove is engineered for efficiency and convenience in various cooking environments, including camping and outdoor settings. Featuring a robust 0.45mm high-temperature painted iron plate, it offers durability while remaining lightweight for easy transport. The inclusion of a protective lid ensures safety during storage and keeps the cooking surface clean between uses.
