Overview

Intelligent Portable Power

This portable power bank features intelligent microcomputer monitoring and one-touch operation for seamless charging of your digital devices. Designed for convenience and safety, it offers high-capacity power storage with advanced protection mechanisms. It is an ideal emergency charging solution for smartphones, tablets, GPS devices, and more.

Technical Specifications

Battery Capacity	8400 mAh
Output Voltage	5 V
Output Current	800-1000 mA
Conversion Efficiency	80 %

Safety & Performance

Safety Protections	Overcharge Protection, Discharge Protection, Overload Protection, Short Circuit Protection, Leakage Protection
Charge Cycles	300-500 times
Quality Testing	72-hour aging test

Features & Compatibility

Compatible Devices

- Mobile phones
- PSP
- MP3/MP4 players
- GPS devices
- Bluetooth devices
- Digital cameras
- iPod/iPad

Additional Features

LED Flashlight • LED Power Indicator • Intelligent Control • One-touch Operation
