Product Overview

Portable Emergency Power Solution

This portable power bank provides a reliable, intelligent energy source for your digital devices while on the move. Featuring a high-efficiency conversion rate of 80-85% and a 5600mAh lithium-ion battery, it ensures your mobile phones, GPS units, and other USB-powered electronics stay charged. With advanced safety features including overcharge and short-circuit protection, this device offers a secure and convenient way to manage your power needs anywhere.

Technical Specifications

Battery Capacity	5600 mAh
Output Voltage	5 V
Output Current	900 mA
Conversion Efficiency	80-85%
Cycle Life	300-500 charges

Features

Compatible Devices

- Mobile Phones
- PSP
- MP3/MP4 Players
- GPS Devices
- Bluetooth Headsets
- Digital Cameras
- Tablets

Interface & Indicators

LED Power Indicator • One-touch Operation • USB Output • Micro-USB Input

Safety Protections

Overcharge Protection, Discharge Protection, Overload Protection, Short Circuit Protection, Leakage Protection
